Giving Voice to Art - Artist Reception Sunday

Currently on display in the Keeler Gallery through September 7, "Give Voice to Art" is a collaborative exhibit by sixteen poets and eleven artists – poets communicating to artists through their writing after the artists have communicated to them through their art. The project was organized through the FSC Art Committee and Grow Your Soul Ministries by Nessa McCassey, CPT, who facilitated the creative sessions. Come to the Keeler Gallery after church Sunday to meet and greet the artists and the poets. Refreshments will be served and everyone is welcome.
