

# RESTORE OUR SYMBOL OF PROGRESSIVE RELIGION AND SOCIAL JUSTICE

**If not now, when?** Our nearly 100-year-old landmark Memorial Bell Tower is crumbling. After much study, the only solution that makes sense is to restore it. Half-measures and further delays will end up costing more in the long run. The total cost was quoted as \$2.3 million.

The good news is that about a third of that is already secured or pledged. More good news: For every dollar given, the Fountain Street Church Foundation will match the donation, up to \$800,000. That is where you come in. Give, and your donation is doubled.

**If not us, then who?** Past members invested vast sums to build and upkeep this current building over the past 100 years. Now it is our turn. The attached form allows you to help fund this project all at once or in installments.

Please consider a one-time payment or a one- two- or three-year pledge to restore our Memorial Bell Tower and ensure it will stand as an enduring beacon to all in West Michigan.
